- 2 LED's
- 3 Output port
- 4 Input ports (x4)
- 5 Power adapter port

Hardware Installation

STEP 1

Connect a HDMI cable from the 1st HDMI source (such as a DVD player, video game system or computer) to any of the **HDMI IN** ports of the HDMI switch.

STEP 2

Connect a HDMI cable from the 2nd HDMI source (such as a DVD player, video game system or computer) to any of the **HDMI IN** ports of the HDMI switch.

Repeat this action up to two more devices.

STEP 3

Connect the HDMI cable from your display (such as a LCD or Plasma display) to the **HDMI OUT** port of the HDMI switch.

Technical Support

If you need further assistance, please contact the Aluratek support department for troubleshooting prior to returning this device.

E-mail: support@aluratek.com
Web: www.aluratek.com/support
Local (Irvine, CA): **949-419-6504**
Toll free: **1-866-580-1978**

Step 4: Connect the power supply to the video switch.

You can switch between the four video sources by either using the Pushbutton on front of the switch itself or with the button on the remote control. A green LED on the front of the switch will indicate the selected video source.

Radio and TV Interference Statement

WARNING!!! This equipment has been tested and found to comply with the limits of a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by whatever measures may be required to correct the interference.

Warranty

Aluratek warrants this product against defect in material or workmanship for **5 Years** from the date of purchase.

This warranty becomes invalid if the factory-supplied serial number or "warranty void" sticker has been removed or altered on the product.

This warranty does not cover:

- A) Cosmetic damage or damage due to acts of God
- B) Accident, misuse, abuse, negligence or modification of any part of the product.
- C) Damage due to improper operation or maintenance, connection to improper equipment, or attempted repair by anyone other than Aluratek.
- D) Products sold AS IS or WITH FAULTS.

IN NO EVENT SHALL ALURATEK'S LIABILITY EXCEED THE PRICE PAID FOR THE PRODUCT FROM DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THE PRODUCT, IT'S ACCOMPANYING SOFTWARE, OR IT'S DOCUMENTATION.

Aluratek makes no warranty or representation, expressed, implied, or statutory, with respect to its products, contents or use of this documentation and all accompanying software, and specifically disclaims its quality, performance, merchantability, or fitness for any particular purpose. Aluratek reserves the right to revise or update its product, software or documentation without obligation to notify any individual or entity.
